- 3.1 The Website, its content, features and functionality are either owned by us, the people we licence such material from, or the provider of such material and are protected by New Zealand law. Any material provided by a third party may be governed by a different jurisdiction and subject to the laws of that jurisdiction. No right, title or interest in or to the Website or any content, features or functionality on the Website is transferred to you. Any use of the Website not expressly permitted by these Terms is a breach of these Terms and may also violate copyright, trademark and other laws.
- 3.2 Subject to these Terms, we grant to you a non-exclusive, non-transferable, limited right to access our Website, to view the Website content and to use the Website Services for the purposes of submitting Media or participating in an online auction in relation to Media. Website users may only view listed Media (to the extent we make viewing it available) for the purpose of bidding or deciding whether or not to bid on that Media.

- 3.4 You are not permitted to do or use anything that interferes or, may interfere, with our Website, including introduce any virus, malware or other similar malicious code, modify, frame or reproduce our Website, or create a link to our Website (other than the homepage or where we expressly permit you to do so).

4. **Our services**

- 4.1 The Website acts as a venue where persons who have captured newsworthy media footage can list such footage and media companies or news professionals can bid on it.
- 4.2 We do not act as an agent for any Website user in the auction of listed Media, the sale or purchase of the licence to Media, nor do we participate in any way in any transaction between the Buyer and Seller, other than to provide a venue through which Bidders and Sellers can bid on and sell licences to Media and Website functionality to enable the Buyer and Seller to complete obligations arising from an online auction.
- 4.3 On completion of an online auction an agreement on the terms set out in the Media Licence arises directly between the Buyer and the Seller. We are not a party to the Media Licence.
- 4.4 The Website functionality includes a delivery process, but we do not act as an agent of either party in relation to that process. Where a Buyer pays via PayPal, we simply pass on the amount of the payment due to the Seller that is received by us through PayPal to the Seller, but we do not act as an agent in so doing.
- 4.5 You accept we are not party to any transaction between the Buyer and the Seller and agree not to involve or attempt to involve us in any dispute relating to the Media Licence (including as to the payment or any failure to pay the Licence Fee). Our obligations are solely as set out in these Terms.

5. **Registration of an account**

- 5.1 An account is not required to list Media on the Website.
- 5.2 To bid on Media listings you must first register an account. Bidding by a non-registered person or organisation is not permitted.
- 5.3 Registration is only available to media companies and news professionals. You must be at least 18 years old to register, whether for yourself or on behalf of your organisation. - 5.5 You (or your organisation) are responsible for the activity that occurs on your account. You must keep your account log in details and password secure and confidential and must not share them with any other person or permit any other person to use or access your account, including any other person within your organisation. Other persons in your organisation must use their own account.
- 5.6 You must immediately notify us of any unauthorised use of account details or passwords or any other breach of security by a Website user (or in relation to their access) or any other unauthorised access to the Website or Website Services.
- 5.7 We reserve the right to determine whether the use of your account breaches these Terms. We may, without prior notice and at our sole discretion terminate or suspend your account (including the accounts of any other individuals within your organisation) for any breach of these Terms (in our reasonable opinion), if we consider it necessary to protect the Website, the Website Services or the security of our technology systems delivering the Website or the Website Services, or for any other reason.

5.8 From time to time we will send you electronic mail relating to your account, transactions and Media listings that may be of interest. The electronic mail will contain instructions on how to unsubscribe from receiving such electronic mail if you no longer wish to receive them.

6. Licences in respect of the Media

6.1 By submitting the Media to the Website for listing the Seller grants to us a worldwide, non-exclusive, royalty-free and transferable license to use, reproduce, display (including to make available online), publish, or electronically transmit the Media in connection with the Website and Website Services. If the Media is licensed to a Buyer as a result of a successful auction, the licence granted by this clause 6.1 for that Media shall be suspended for the period of the relevant Media Licence.

6.2 If the reserve price for listed Media is met, the Seller must grant the Buyer an exclusive worldwide licence to use, reproduce, display, publish, distribute, broadcast, stream and transmit that Media on the terms set out in the Media Licence. The period of the licence shall be stated in the Media Licence, but must be for no more than 12 months from the date on which that Media is made available to the Buyer for download.

6.3 Where the Buyer holds an exclusive worldwide licence to any Media, the Buyer grants to us a worldwide, non-exclusive, royalty-free and transferable license to use, reproduce and display the Media in a library of sold content on the Website, accessible only by Bidders and only in a watermarked form that is not able to be downloaded. This non-exclusive licence shall only be for the period of the licence under the Media Licence for that Media.

7. General obligations relating to the use of the Website

7.1 By using the Website and the Website Services to list or bid on Media you warrant that:

7.1.1 you are at least 18 years old and able to enter a legally binding contract;

7.1.2 if you are using the Website and the Website Services on behalf of an organisation, you have the authority to bind that organisation.

7.2 You must not access the Website and the Website Services if you have no legitimate reason to do so.

7.4 When accessing the Website and the Website Services you must not:

7.4.1 list or bid on Media if to do so would cause us to be in breach of any laws in any country;

8. **Obligations of Sellers**

- 8.1 By submitting Media to the Website you warrant that:
- 8.1.1 the Media is a true and accurate recording of real life events and has not been altered in any way; and
 - 8.1.2 you own the Media or have the necessary licences, rights or consents to submit the Media to the Website and enter into and comply with a Media Licence agreement with the Buyer.
- 8.2 By submitting the Media to the Website you agree to the terms in the relevant Media Licence.
- 8.3 The parameters relating to the auction for the Media you have listed will be set automatically by the functionality of the Website and Website Services. The starting price and reserve price for the auction will be set at USD50. The bid increments shall start at USD50 and shall increase automatically as the bid price increases as determined by the Website functionality. The period of time the auction runs for will be set automatically by the Website functionality. The functionality of the Website may allow the Seller to alter certain parameters, and the default parameters will apply if you do not change them before the auction starts. Where no option exists to amend the parameters, the parameters determined by the Website functionality shall apply. You must provide any other information required by the Website to enable an auction for the Media.
- 8.4 An auction is successfully completed if the reserve price for the Media Licence in relation to your Media has been met by the time the auction closes. In such a case you agree to license the copyright in the Media to the highest bidder on the terms set out in the Media Licence. You may only licence the copyright in the Media to a bidder who is not the highest bidder if the highest bidder fails to make payment of the Licence Fee and you first terminate the Media Licence with the highest bidder.
- 8.5 All Media must comply with all relevant laws. You must not list any illegal, offensive or objectionable Media, including Media that is defamatory or pornographic. You must not list any Media that requires examination and classification under the New Zealand Films, Videos and Publications Classification Act 1993 or any other relevant legislation, or which by law requires the consent or approval of any regulatory authority to be viewed. You accept that we may disclose your personal information (including a copy of the Media you have attempted to list) to the relevant authorities if we consider you are in breach of this clause.
- 8.6 All Media submitted to the Website may be subject to a moderation process by us. If we determine the Media to be in breach of these terms, or otherwise not suitable for listing (in our

sole discretion), the Media will not be listed. We also reserve the right to remove any listed Media from the Website at any time and for any reason whatsoever.

- 8.7 You must not make multiple listings containing the same Media. To maintain the quality of the Website we reserve the right to limit the amount of listings from any one Website user.
- 8.8 You must not list your phone number and/or email address or any other personal contact information in the description of the Media.
- 8.9 You must not submit Media that contains the Intellectual Property of a third party unless you are legally entitled to do so.
- 8.10 If you submit Media to the Website you must do so with the intention of proceeding to an online auction and completing the transaction through the Website if the reserve price is met. You must not:
- 8.10.1 advertise or distribute your Media through any other forum; or
- 8.10.2 complete a transaction relating to the Media outside of the Website.
- 8.11 You must not manipulate the price obtained for the Licence Fee for your Media by shill-bidding, or through any other interference with the auction process or otherwise.
- 8.12 You confirm the information provided in support of your Media listing is accurate and complete.
- 8.13 You agree to your information, including your name, email address and payment details being shared with the Buyer on the successful completion of the auction. Any of the Buyer's information we share with you must only be used to perform your obligations or exercise your rights in relation to the transaction arising from the auction.
- 8.14 If your Media is successfully sold at auction the Website will notify you via electronic mail. Your details will be sent to the Buyer so the transaction can be completed. In the case of any issues relating to payment or the Media Licence you must contact the Buyer directly. You may only contact us for a payment issue if the Buyer has used the PayPal payment process provided by us and we have not passed the payment to you.
- 8.15 You consent to us receiving the Venue Fee from the Buyer in relation to the successful auction of your Media.

9. **Obligations of Bidders**

- 9.1 You must only bid on Media in good faith. As a Bidder, you must only place a bid if you have the intention to complete the transaction with the Seller at the bid price entered and to pay the Venue Fee to us. A bid cannot be retracted.
- 9.2 You acknowledge that the total amount that you will have to pay if you are the successful bidder for any Media is the amount you bid (the Licence Fee) plus the amount of the Venue Fee (and any applicable taxes).
- 9.3 By placing a bid you:
- 9.3.1 confirm you have the legal right to complete the transaction; and
- 9.3.2 agree, in the event of winning the auction, to be bound by the terms of the relevant Media Licence.

- 9.4 If your bid is successful you must complete the transaction in accordance with clause 11 and the terms of the relevant Media Licence.
- 9.5 You must not bid on a listing of Media by your organisation, or by a friend, relative or someone known to you so as to manipulate the price of the listing.
- 9.6 We may remove bids that we consider do not comply with these Terms.
- 9.7 You agree to your information, including your name and email address being shared with the Seller on completion of the auction. Any of the Seller's information we share with you must only be used to perform your obligations or exercise your rights in relation to the transaction arising from the auction.
- 9.8 If you are the winning Bidder the Website will notify you via electronic mail. Your details will be sent to the Seller so the transaction can be completed. In the case of any issues relating to payment for the Media Licence you must contact the Seller directly.

10. **Delivery of Media**

- 10.1 Where the auction of Media is successful, delivery of that Media to the Buyer shall occur from the Website in accordance with functionality made available by us.
- 10.2 The Media will be delivered to you by the Website functionality making the Media available to you for download from the Website. This will occur automatically when the auction for the Media is won by the Buyer. The Website will generate an electronic mail to you setting out the download process. The electronic mail may contain a link to download the Media. The Media will be available for digital download only.

11. **Payment**

- 11.1 We charge a Venue Fee for the use of the Website as a venue through which the Buyer and Seller can bid on and sell licences to Media. A Venue Fee arises each time there is a successful auction in relation to listed Media. The Venue Fees are as follows:
- 11.1.1 for Sellers, no fees are charged;
- 11.1.2 for unsuccessful Bidders in any auction, no fees are charged;
- 11.1.3 for Buyers, the Venue Fee will be calculated as an amount equal to 25% of the Licence Fee for the Media for which the Buyer was the successful bidder. The Venue Fee is in addition to the Licence Fee that the Buyer pays to the Seller.
- 11.2 We reserve the right to amend the Venue Fee charged for the use of the Website and Website Services and who must pay it at any time. Any changes to the Venue Fee only apply to Media listed after the date of the change.
- 11.3 The Buyer must pay the Venue Fee directly to us. You may pay the Venue Fee to us by direct debit to our nominated bank account (details of which are contained in a notification electronic mail from the Website) or by using PayPal. The Venue Fee (including any relevant taxes) is not refundable.
- 11.4 If your bid is successful you must pay for the Media Licence as soon as possible and no later than 24 hours of the auction closing. You may elect to pay for the Media Licence by either:
- 11.4.1 direct debit to the Seller's nominated bank account; or
- 11.4.2 where it is offered by us, payment to us via PayPal (by credit card or use of a PayPal account) for us to pass the payment on to the Seller.

- 11.5 You may only make payments by credit card via PayPal, to the extent that PayPal permits payment by credit card. Payments made via PayPal shall be subject to PayPal's [terms and conditions](#). A payment service fee also applies. If you elect to pay the Licence Fee to us via PayPal, you must also pay the Venue Fee using PayPal. While we may facilitate payment for Media by enabling payments via PayPal, we are in no way involved in the transaction itself and are in no way responsible for any amount due to the Seller. Our only obligation is to pass the amount received by us from PayPal from the Buyer on to the Seller when we receive it from PayPal.
- 11.6 If you elect to make payments via PayPal you will be required to also pay a payment service fee equal to 50USD + 4.71204% of the total transaction price (the total transaction price being the Licence Fee + the Venue Fee + the 50USD).
- 11.7 We may refuse the use of PayPal to make a payment for any reason. In such a case the Buyer must pay the Licence Fee (to the Seller) and the Venue Fee (to us) by direct debit.
- 11.8 We are not responsible for protecting Buyers and Sellers from credit card fraud or any fraudulent use of a PayPal account.
- 11.9 If you elect to pay by direct debit you will need to pay the Licence Fee to the Seller and the Venue Fee to us separately.
- 11.10 Unless otherwise stated, all auction amounts for Media listings shall be listed in USD (including any reserve prices). Taxes in relation to the Licence Fee shall be as set out in the Media Licence.
- 11.11 The Venue Fee is inclusive of goods and services taxes and any other sales, value added or similar taxes, but exclusive of any taxes or any other amounts that the Buyer is required by law to deduct or withhold.
- 11.12 The Venue Fee must be paid to us in full without any deduction or withholding. If you are required by law to make any deduction or withholding from, on, or in relation to, any amount paid or payable to us under these Terms, you must gross up the payment due to us so that we receive a net amount equal to the amount that we would have received had no deduction, withholding or payment been made.

12. **Disclaimers**

We reserve the right to change, correct or remove any error on the Website or in relation to any Media, including if such a change results in a change to a bid or any starting or reserve price for a Media Licence.
